1st Issue March 2018

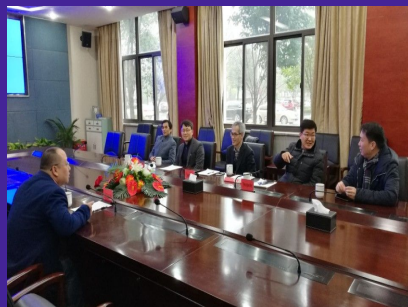

TOPIC 1

Board members including the president, the vice president, and 2 vice presidents have visited Shaoxing on January to discuss issues and share ideas regarding ICCT 2018, CADI 2018, and SCI 2018. They came up with good suggestions and reached some of agreements.

We are still bound to be seeking best ways to make things happen. But it was surely a big step forward to approach the successful conference.

TOPIC 4

We had this year's first special board member meeting in Seoul on February 23rd. 6 board members and secretary-general participated. Agendas of the meeting were

- ICCT 2018, CADI 2018, SCI 2018 related issues. Reviewed results from visiting Shaoxing and discussed what we have to prepare.
- Publishing IJCT focusing on registering SCOPUS and EI. In order to complement successful conferences and publishing journals, we should make an effort to registering SCOPUS and EI.
- Making an organization for issuing authentication of coding lecturer. It is required to utilize Regional Directors' manpower.
- And starting publishing IACST newsletter. Needless to say, we "need" news, news, news!

I thought: hope cannot be said to exist, nor can it be said not to exist. It is just like roads across the earth. For actually the earth had no roads to begin with, but when many men pass one way, a road is made. -Lu Xun [My Old Home]
